MULTI-RACE WAGERS (Top 3 by Win Probability)

1. **Public Assembly** (30%)
2. **Vibez** (22%)
3. **Will Then** (16%)

MODEL CONFIDENCE: HIGH - Class/distance specialists dominate top three. Vibez offers best value as proven course/distance winner dropping from G1 to G3. Public Assembly clear favorite but vulnerable to proven specialists at this specific distance. Going Lucky severely overbet based on single turf start facing massive class hike.
