COMPREHENSIVE HANDICAPPING REPORT (CHR)

Belmont Park R3

November 1, 2026 | 6f Turf | Maiden Claiming $50,000

SECTION 1: PACE ANALYSIS

True Front Runners

Night Sky — Elite early speed profile. Led gate-to-wire on 9/4 at Saratoga turf (22.0 opening quarter), finished 5th after pace fade. Won gate-to-wire on 8/14 at Saratoga (22.0 opening, 46.3 half) with sustained closing. Consistent front-runner with blinkers on at comparable distance.

Comets Choice — Sharp early positioning. Bumped start 9/2 at Saratoga but led early, ran on to finish 2nd (22.2 opening). Roused into contention 10/3 at Belmont (22.4 opening), weakened finish. Three starts show consistent 2-call placement within 3.5 lengths of leader.

Cadillac Mary — Tactical speed. Chased leader 7/23 at Saratoga (21.4 opening, 44.7 half) while posted rail position through 3/16. Most recent effort 10/5 at Gulfstream (dirt surface, 22.4 opening) produced 2nd place finish. Class drop to $50K claiming presents fresh opportunity.

Stalkers / Pressers

Bella Musica — One turf start on record: 8/2 at Saratoga sprint (21.6 opening). Turf maiden with limited experience but consistent 3-4f placing pattern in recent dirt efforts. Works indicate rising fitness.

Build Or Buy — Off slow 10/3 at Belmont (22.8 opening, 46.4 half), finished 8th. Dirt-to-turf switch today. Lightly raced (1 start total) with upside potential in claiming environment.

Closers

Pistolsnpearls — First-time starter off the claim. Seven published workouts including sharp recent 3-furlong at Saratoga (38.0 bullet). Trainer Weaver George 22% first-start winner with 3.02 ROI. Connects well at maiden claiming sprints (25% win rate, 1.60 ROI).

Queen's Corner — Zero race experience. Trainer Rice Linda 16% first-start winner (1.84 ROI) and 25% with 2YO (2.40 ROI). Published workouts consistent mid-48s range. Developing profile.

Pace Scenario Projection

MODEL PREDICTS: MODERATE pace — projected 22.0-22.3 opening quarter, 45.1-45.6 half-mile. Night Sky and Comets Choice will contest early fractions with Cadillac Mary pressing three-deep. Turf sprint profile favors stalkers and horses with late rally capability. No suicidal speed duel; pace should remain fair

through midpoint. Closers and turf-specific runners hold tactical edge.

SECTION 2: WIN PROBABILITY MATRIX

Post	Horse	ML Odds	Model Win %	Implied ML %	Edge
1	I'm Not Kidding	20/1	3%	3.4%	-0.4%
2	Sweet Grace	8/1	6%	8.0%	-2.0%
3	Segway Pipeline	12/1	5%	5.5%	-0.5%
4	**Cadillac Mary**	5/1	13%	11.9%	+1.1%
5	Queen's Corner	10/1	6%	6.5%	-0.5%
6	**Night Sky**	5/1	15%	11.9%	+3.1%
7	Build Or Buy	4/1	11%	14.3%	-3.3%
8	Dream Spell	30/1	2%	2.3%	-0.3%
9	Buccherita	20/1	3%	3.4%	-0.4%
10	**Bella Musica**	8/1	10%	7.9%	+2.1%
11	**Comets Choice**	6/1	11%	10.2%	+0.8%
12	**Pistolsnpearls**	8/1	9%	7.9%	+1.1%
13	Watergate	30/1	2%	2.3%	-0.3%
14	Coach Callahan	15/1	4%	4.5%	-0.5%
	TOTAL		**100%**	**100.0%**	

SECTION 3: CONTENDER ANALYSIS

Tier 1 — Primary Contenders ★★★★

Night Sky — Delgado Jorge — 6/1

PTW Profile: Model identifies this horse as the field's most battle-tested turf runner with elite early speed and proven tactical flexibility. Three starts on turf with consistent mid-20 opening fractionals and track record of winning gate-to-wire. Trainer Delgado shows 34% win rate at maiden claiming with 4.87 ROI — elite profile. Jockey Zayas E J rates 13.56% sprint win rate with solid 33.90% money percentage at meet.

Strengths: Turf pedigree established across three race efforts. Gate-to-wire winner on 8/14 at Saratoga with sustained closing profile (maintained pace through final 2f). Class drop to $50K claiming is significant advantage. Blinkers return after one start without them. Trainer pattern: MSW-to-MCL conversion success rate 43% with massive 2.23 ROI.

Concerns: Last start 10/3 at Belmont turf intermediate (pace mileage) showed fade in final furlong (finished 7th, 8.8 lengths beaten). Turf form shows two 5ths in three starts — inconsistency flag. Will need to overcome pace-contested scenario and remain focused through stretch.

Trip Projection: Expected to break alertly from post 6, establish position on pace contest by 4f call. Stalking 2-3 lengths off tempo horses. Late rally into stretch drive — model projects finish in top three under pace relief.

Cadillac Mary — Englehart Jeremiah C — 5/1

PTW Profile: Model rates this maiden as a sharp tactical runner with track-specific class relief entering a $50K claiming spot. Four starts show progression through maiden ranks with one mid-level finish (placed at BAQ maiden turf in June). Most recent effort on dirt (10/5 Gulfstream sprint, fst) produced 2nd-place finish with strong 2-call positioning. Trainer Englehart 23% maiden claiming win rate with 1.73 ROI.

Strengths: Significant class relief today — last three starts were graded MSW/MOC; $50K MCL is marked improvement in horse's favor. Blinkers consistent across all recent efforts. Dirt-to-turf switch minimal concern given turf bloodline (Golden Pal sire). Equipment profile (blinkers) unchanged. Trainer 17% sprint win rate over 228 starts — consistent producer in sprint company.

Concerns: Turf experience limited to single 8.5f route start (9/3 Saratoga MOC, finished 7th, weakened). Bounced from two fast efforts (10/5 2nd place effort was moderate pace; 9/3 route showed weakening). Career pattern suggests mid-tier maiden — no elite early speed or sustained finisher profile identified.

Trip Projection: Should stalk 3-4 lengths off pace through 4f, positioned rail or 2-path. Lacks closing burst for wire-to-wire threat. Late-run rally into upper stretch plausible under pace scenario.

Bella Musica — Abreu Jorge R — 8/1

PTW Profile: Model identifies strong overlay candidate in Bella Musica despite modest morning line. Lightly raced with zero MSW victories but trainer Abreu shows 23% win rate at maiden claiming with 1.04 ROI. Single turf start (8/2 Saratoga sprint, 21.6 opening) shows tactical positioning through 2f. Recent dirt work

pattern demonstrates consistent 49-51 second furlong timing — turf transition manageable.

Strengths: First-time turf starter with elite trainer conversion rate (14% first-turf winners, 3.47 ROI). Post 10 breaks cleanly to establish stalking position. Jockey Fresu A rates 13.07% sprint win rate and 41.18% money percentage (solid profile). Trainer pattern shows 33 two-year-old starts with 12% conversion — experience with young developing runners valuable. Works show rising pattern.

Concerns: No turf wins in career record. Single 5f turf start didn't break maiden. Maiden status after three starts suggests limited early speed. Pace scenario will require honest effort through 4f to settle into closing position.

Trip Projection: Expected to race in stalking position 4-6 lengths off pace. Will benefit from moderating pace scenario and position for late rally in final 2f.

Tier 2 — Secondary Contenders ★★★

Comets Choice — Terranova John P II — 6/1

PTW Profile: Model projects this horse as a pace-engaged tactical runner with solid turf record (three starts, one 2nd-place finish). Trainer Terranova 20% MSW-to-MCL conversion with 3.02 ROI — strong maiden claiming indicator. Jockey Castellano J J rates 17.17% win rate at the meet with solid positioning profile.

Strengths: Two turf starts with competitive 2-call positioning (4f marks 4-5 lengths behind). Bumped start 9/2 at Saratoga but rallied to 2nd place (22.2 opening, 46.6 half). Most recent 10/3 at Belmont turf intermediate showed early rousing but weakening finish — indicates pace fatigue. Blinkers consistent factor.

Concerns: Weakening pattern last two turf starts (last finish 6th, beaten 7.3). Pace vulnerability in sustained speed profile. Turf record shows 0 wins in three tries. High-risk bounce candidate if pace scenario resembles 10/3 effort template.

Trip Projection: Will stalk pace through midpoint, likely 2-3 lengths off. Fade risk into final furlong under sustained pace.

Pistolsnpearls — Weaver George — 8/1

PTW Profile: Model identifies this first-time starter as a live claiming spot horse with elite trainer maiden claiming record (25% win rate, 1.60 ROI). Zero race starts but seven published workouts with 38.0 sharp 3-furlong bullet most recent. Weaver trainer pattern: 22% first-start winners with exceptional 3.02 ROI — best-in-class metric.

Strengths: Trainer-jockey combination Weaver-Franco represents strong connection (Franco 20.77% win rate at BEL meet, 54.11% money percentage). First-start maiden claiming playbook executed by Weaver 112 times with 22% success rate. Published workouts trending positive (38.0 recent bullet vs. 50.6 and 50.2 prior efforts). Blinkers first-time equipment.

Concerns: No race experience creates prediction uncertainty. Turf surface unproven. Post 12 requires efficient break and positioning. No fractional data available for MPH analysis — UNRATED sustained speed profile. Maiden claiming debuts carry inherent variance risk.

Trip Projection: Will break from post 12, find position through opening quarter, and settle into competition around 4f call. Late-developing maiden profile — model projects mid-pack finish in debut.

Tier 3 — Pace Factors / Longshots ★★

Build Or Buy — Brown Chad C — 4/1

PTW Profile: Model identifies this horse as significantly overbet at 4/1 on turf debut. Single start (10/3 Belmont dirt sprint, 6f) shows off-slow break (post 12), poor position management, finished 8th beaten 9 lengths. Trainer Brown Chad C shows strong 28% maiden second-start win rate (1.91 ROI) but dirt-to-turf debut is risky overlay. Jockey Prat F rates 25% sprint win rate — high-quality rider but cannot overcome poor foundation.

Strengths: Trainer pattern on second starts favorable (28% conversion). Prat is meet's top-rate rider by win percentage (25% at BEL). Workouts consistent 49.6 range suggest fitness maintained.

Concerns: Turf maiden. Off-slow break from last time. No turf form. 4/1 odds represent public misperception of this horse's viability. Model projects regress risk.

Trip Projection: Will need to overcome placement deficits from recent effort. Turf debut adds unpredictability. Late-developing profile unlikely to threaten in competitive maiden claiming field.

Queen's Corner — Rice Linda — 10/1

PTW Profile: Model identifies this horse as zero-experience first-starter. Trainer Rice Linda 16% first-start winner with 1.84 ROI (respectable). No turf background. Published workouts in 38.4-39.0 three-furlong range suggest baseline fitness only. Jockey Lezcano J rates 10.34% sprint win rate — below-average meet profile.

Concerns: First-time starter turf debut is maximum uncertainty. Post 5 position neutral but lacks training race evidence. Maiden claiming field shows superior experience across majority of field.

Trip Projection: Will work into position early. Late-developing profile with minimal predictive power.

SECTION 4: MPH ANALYSIS + SUSTAINED SPEED RATINGS

PTW Proprietary Speed Rankings

Horse	Opening Speed	Sustained Speed	Deceleration Profile
Night Sky	ELITE	ELITE	Low — strong finishing velocity
Cadillac Mary	STRONG	STRONG	Moderate — competitive pace maintenance
Bella Musica	STRONG	STRONG	Moderate — manageable closing profile
Comets Choice	STRONG	VULNERABLE	High — pace vulnerability present
Pistolsnpearls	UNRATED	UNRATED	First-start data unavailable
Build Or Buy	STRONG	VULNERABLE	High — velocity collapse risk
Queen's Corner	UNRATED	UNRATED	First-start data unavailable
Sweet Grace	STRONG	VULNERABLE	High — sustained pace collapse
I'm Not Kidding	STRONG	VULNERABLE	High — late-race fade documented
Segway Pipeline	STRONG	VULNERABLE	High — lack of finishing drive
Watergate	STRONG	VULNERABLE	High — pace vulnerability
Coach Callahan	UNRATED	UNRATED	First-start data unavailable
Buccherita	STRONG	VULNERABLE	High — workload deceleration
Dream Spell	UNRATED	UNRATED	First-start data unavailable

Critical MPH Insight

The model identifies **Night Sky** as the field's fastest sustained finisher with ELITE Sustained Speed Rating — this horse alone demonstrates velocity maintenance through final furlong across gate-to-wire turf efforts. The field splits into two clear cohorts: Night Sky (ELITE sustained speed), paired against three STRONG-rated horses (Cadillac Mary, Bella Musica, Comets Choice) with moderate deceleration patterns. The remaining field (ten horses) carries VULNERABLE ratings or UNRATED status, indicating either documented pace collapse risk or insufficient data for speed analysis. This creates a separating factor: in the MODERATE pace scenario projected, the three STRONG-to-ELITE runners will dictate stretch outcome against a field of vulnerable closers.

SECTION 5: IMPROVEMENT & REGRESSION CANDIDATES

Likely to Improve

Cadillac Mary — Sharp class relief into $50K claiming from recent maiden routes and intermediate turf stakes efforts. Trainer Englehart shows 23% maiden claiming conversion rate (1.73 ROI) — strong second-start pattern. Most recent 10/5 dirt 2nd place finish demonstrates fitness and competitive readiness. Blinkers on for fourth consecutive start signals trainer intent. Targeted spot drop identified.

Bella Musica — Trainer Abreu 14% first-turf conversion rate with exceptional 3.47 ROI indicates live barn move into turf from dirt maiden efforts. Single turf start showed tactical positioning through midpoint. Post 10 allows clean break and establishing stalking position. Rising workout pattern in final week supports improvement.

Pistolsnpearls — First-start maiden claiming standard setup with elite trainer maiden claiming record (25% win rate, 1.60 ROI). Seven published workouts trending toward competitive readiness. Weaver-Franco combination connects well at BEL. Sharp bullet 3-furlong (38.0) most recent. Classic live barn move indicator.

Bounce / Regression Risks

Build Or Buy — Overlayed at 4/1 on turf debut following poor 10/3 dirt maiden effort (8th place, off-slow break). Dirt-to-turf transition unproven. Trainer pattern (strong second-start wins) does not offset turf maiden risk. Public overbet recent-start placement.

Sweet Grace — Documented pace collapse risk (VULNERABLE Sustained Speed Rating). Last two efforts at turf show weakening pattern (8/12 tired finish 7th, 7/16 moved out but weakened 5th). Two maiden turf starts = zero wins. High deceleration percentage signals bounce risk under MODERATE pace scenario.

Comets Choice — Pace vulnerability flagged (VULNERABLE Sustained Speed Rating). Last-out 10/3 turf effort (6th, 7.3 lengths) represents deteriorating form across three turf starts. Roused early but faded —

pattern repeats. Trainer Terranova MSW-to-MCL rate (20%, 3.02 ROI) does not offset form collapse risk.

SECTION 6: SUGGESTED BETS

WIN BET: Night Sky — Confidence 8/10 — Target odds: 4/1–5/1

Model projects 15% win probability — highest in the field. Elite Sustained Speed Rating paired with proven turf record (gate-to-wire winner 8/14 Saratoga, competitive efforts 10/3 Belmont turf and 9/4 Saratoga turf). Trainer Delgado elite 34% maiden claiming win rate (4.87 ROI) provides strategic edge. Pace scenario guarantees front-running positioning through 4f, allowing this horse to settle into race-tracking rhythm. Jockey Zayas E J solid 13.56% sprint win rate. Current morning line 5/1 represents slight underlay at 16.7% implied probability versus 15% model projection, but horse has clear tactical edge in projected MODERATE pace scenario.

VALUE PLAY: Cadillac Mary — Confidence 8/10 — Target odds: 5/2–3/1

Model projects 13% win probability at projected 3/1 odds (4.3% edge). Sharp class relief narrative: last three starts were graded MSW/MOC competition; $50K claiming is marked improvement in race conditions. Most recent 10/5 Gulfstream 2nd place finish shows competitive readiness and blinkers-on intent signal. Trainer Englehart 23% maiden claiming win rate (1.73 ROI) outperforms field average. Tactical speed through opening quarter provides position security. Public undervaluing class drop factor relative to dirt-to-turf surface switch.

Multi-Race Wagers — Pick 3/4/5/6:

A: Night Sky — 15% | **B: Cadillac Mary** — 13% | **C: Bella Musica** — 10%

Combined Projected Probability: 38%

SECTION 7: CONFIDENCE RATING

★★★★

Model's primary projection: Night Sky holds clear tactical and speed-profile edge in MODERATE turf sprint pace scenario. Cadillac Mary represents secondary value play on class relief drop. Field shows high-variance first-timers (Pistolsnpearls, Queen's Corner, Coach Callahan) and documented pace-vulnerability runners (Sweet Grace, Comets Choice, Build Or Buy off-turf debut) creating opportunity for experienced turf runners to exploit. Public overbetting 4/1 Build Or Buy on unproven turf debut and 8/1 Sweet Grace fade candidates. Delgado-trained Night Sky represents model's sharpest value opportunity — elite sustained finisher in moderate-paced maiden claiming turf sprint.
