Report Section 1: Pace Analysis

True Front Runners

Secured Landing (Post 2) — The most early speed in the field; has won on or near the lead repeatedly this year. **Kinetic** (Post 1) — Led at every call to win this same class at Belmont on 9/24, beating Secured Landing.

Stalkers / Pressers

Time to Win (Post 5) — Tactical; attended the pace in the Mineshaft (G3) and rallied from mid-pack to win at Gulfstream.

Closers

Dreamlike (Post 4) — Deep closer who rallies very wide. **Adero** (Post 3) — Rates and bids late. **Noble Heritage** (Post 6) — Stalks and rallies.

Pace Scenario Projection

MODEL PREDICTS: **HOT** early pace—projected :23 1/5 opening quarter, :46 4/5 half-mile. Secured Landing and Kinetic are likely to duel up front, with Time to Win sitting just behind. That sets up for the closers if the leaders tire.

Report Section 3: Contender Analysis

Tier 1 — Primary Contenders (★★★★)

Secured Landing (Post 2) — Model Win %: 21%

PTW Profile: The model's top horse. Five-year-old gelding, 10-for-24, and 8-for-13 at a mile. Claimed four times this year as he climbed from $16,000 claimers; won five of his last nine starts, including a $40,000 claimer at Belmont at Aqueduct on 6/25 and an allowance optional claimer at Saratoga on 8/26 (in hand inside, held on). 2nd to Kinetic in this same class at Belmont on 9/24 (two-path turn, chased); then 4th as the favorite in a 7f starter allowance at Belmont on 10/17 (three wide, no closing kick). Trainer Linda Rice 27% going from sprints to routes and 23% on dirt; jockey Carmouche. At 8-1 (11.1% implied), +9.9%—the best overlay in the race.

Strengths: ELITE early and sustained speed; outstanding record at a mile; 2nd in this class on 9/24.

Concerns: Likely to be pressed by Kinetic, who beat him on 9/24; flattened as the favorite in a sprint last out.

Trip Projection: Breaks sharply, leads or sits just off Kinetic and tries to hold off the closers in the stretch.

Dreamlike (Post 4) — Model Win %: 19%

PTW Profile: Six-year-old gelding, 3-for-25 with 10 2nds and 7 3rds. Last win came in an allowance optional claimer at Aqueduct on 12/26/25 (six wide in the upper stretch, up in the last jumps). 0-for-7 in 2026 but in the top three every time, including 2nd in this class on 5/23 and 3rd in this class at Saratoga on 7/25. Last start 8/1 at Saratoga (3rd). Returns from three months off. Trainer Linda Rice (also trains Secured Landing); jockey Franco 21% at the meet. At 5-2 (28.6% implied), –9.6%.

Strengths: Hits the board almost every time; strong late kick that suits a hot pace.

Concerns: Rarely wins; three months off; overbet.

Trip Projection: Drops back early, swings very wide into the stretch and closes late.

Adero (Post 3) — Model Win %: 18%

PTW Profile: Six-year-old gelding, 11-for-38; 7-for-19 at a mile. Claimed by Jamie Ness for $50,000 on 5/5 (stopped abruptly that day), then won an allowance optional claimer at Parx on 6/8 by more than 11 lengths, was 2nd in a stakes at Laurel on 6/27 and won an allowance optional claimer on a sloppy track at Laurel on 9/11 (rail bid, driving). 5th, never a factor, in a 8.5f allowance optional claimer at Belmont on 10/4. Trainer Ness 29% off 31-60 day layoffs but 0-for-9 at the meet; jockey Davis. At 6-1 (14.3% implied), +3.7%.

Strengths: ELITE sustained speed; proven at the distance; closing style suits a hot pace.

Concerns: Well beaten at Belmont last out; trainer winless at the meet.

Trip Projection: Rates off the leaders, angles out on the far turn and bids in the stretch.

Tier 2 — Secondary Contenders (★★★)

Time to Win (Post 5) — Model Win %: 18%

PTW Profile: Four-year-old ridgling, 2-for-6. Broke his maiden by more than 6 lengths at a mile at Aqueduct on 12/4/25, won an allowance optional claimer at Gulfstream on 1/17 (long drive, got up) and finished 3rd in the Mineshaft (G3) at Fair Grounds on 2/14 (attended the pace, outkicked). Returns from almost nine months off. Trainer Chad Brown 22% off layoffs of six months or more; jockey Prat 24% at the meet. As the 4-5 morning-line favorite (55.6% implied), –37.6%—by far the biggest underlay in the race.

Strengths: Graded-stakes placed; tactical; top connections.

Concerns: Nine months off; massively overbet.

Trip Projection: Sits just behind the leaders and makes his move on the far turn, but needs to be fit off the long break.

Noble Heritage (Post 6) — Model Win %: 13%

PTW Profile: Three-year-old gelding, 3-for-10. Won a 7f $55,000 maiden claimer at Belmont at Aqueduct on 6/19, a claimer at Monmouth on 8/8 (rallied three wide) and an allowance optional claimer at Monmouth on 8/22 (placed first on a disqualification). Since then 3rd at Monmouth on 9/5 and 4th at Delaware on 10/10 (stalked inside, weakened). Trainer Jorge Delgado 23% at the meet; jockey Zayas. At 15-1 (6.3% implied), +6.7%.

Strengths: Improving three-year-old; overlay price.

Concerns: VULNERABLE late; weakened last out; steps up in class.

Trip Projection: Stalks four to eight wide and makes one run.

Tier 3 — Pace Factors / Longshots (★★)

Kinetic (Post 1, 11%): Five-year-old gelding, 6-for-14. Former stakes winner (General MacArthur at Oaklawn, 1/25/25). Trainer Ilkay Kantarmaci; jockey Marin. VULNERABLE sustained speed. –0.1%.
