COMPREHENSIVE HANDICAPPING REPORT (CHR)

Belmont Park R4
Sunday, November 15, 2026 | 1 Mile Turf | NY-bred F&M 3YO+ | Allowance Optional Claiming 45k/N2X

Report Section 1: Pace Analysis

True Front Runners

Cosmic Candy Girl (Post 2) — The field's clearest speed: led in the Sands Point (G3) on 10/23 until the 3/16 pole, led on 9/25 in this condition, and won the Suzi O'Cain wire-to-wire on 7/23. **Charlottesuniverse** (Post 3) — Won wire-to-wire at Saratoga on 9/3, though she came from 8th to finish 2nd on 9/25. **My First Dinah** (Post 1) — Led early in a dirt route on 10/25 (not a closer). **Hello Beauty** (Post 5) — Led or pressed in four of her last six starts.

Stalkers / Pressers

All of It (Post 4) — Has raced 6th–8th early in her last two and rallied for 3rd both times; she stalked 3rd–4th earlier in the year.

Closers

Boomington (Post 7) — Won on 10/31 from **9th** after stumbling at the start—not wire-to-wire. **Grace and Grit** (Post 6) — 6th–8th early in her last three starts.

Pace Scenario Projection

MODEL PREDICTS: **HOT** early pace—projected :23 2/5 opening quarter, :47 1/5 half-mile. Cosmic Candy Girl, Charlottesuniverse, My First Dinah and Hello Beauty all have early speed; the setup favors All of It, Boomington and Grace and Grit.

Report Section 2: Win Probability Matrix

Post	Horse	ML Odds	Model Win %	Implied ML %	Edge
1	My First Dinah	15-1	2%	6.3%	-4.3%
2	Cosmic Candy Girl	4-1	19%	20.0%	-1.0%
3	Charlottesuniverse	2-1	24%	33.3%	-9.3%
4	All of It	9-5	29%	35.7%	-6.7%
5	Hello Beauty	20-1	5%	4.8%	**+0.2%**
6	Grace and Grit	8-1	14%	11.1%	**+2.9%**
7	Boomington	5-1	7%	16.7%	-9.7%
	TOTAL		**100%**	**127.9%**	

Implied ML % is the raw morning-line conversion (the report's column was scaled). **All of It is the 9-5 favorite** at 35.7% implied—not 18.2% or 27.9%—so she is a –**6.7% underlay**, not a +10.8% EXCEPTIONAL overlay. Cosmic Candy Girl is –1.0% (not +3.3%). Overlays: Grace and Grit +2.9% and Hello Beauty +0.2%.

Report Section 3: Contender Analysis

Tier 1 — Primary Contenders (★★★★)

All of It (Post 4) — Model Win %: 29%

PTW Profile: The model's top horse and **the 9-5 favorite**. Mendelssohn filly, 2-for-6, all on turf: a maiden win at Aqueduct (4/16) and an N1X allowance at Saratoga at 1 1/16 (6/7). She has **one** stakes start (5th in the Suzi O'Cain), no graded starts, and the 8/29 race was an optional claimer, not a stakes.

Strengths: 3rd in this condition on 9/25 (1 mile) and 10/21 (7 1/2f), rallying both times. Miguel Clement is 19% on turf and 20% in routes; Flavien Prat (23%) picks up the mount.

Concerns: Weakened late in two summer starts (7/23 and 8/29). At 9-5 (35.7% implied), –6.7%. No class edge—she has lost to Charlottesuniverse and Cosmic Candy Girl.

Trip Projection: Mid-pack, then rallies wide into the stretch.

Charlottesuniverse (Post 3) — Model Win %: 24%

PTW Profile: Into Mischief filly, 2-for-8, all on turf. Won her maiden at Belmont at the Big A on 5/17 and an N1X allowance at Saratoga on 9/3, wire-to-wire at 1 1/8 with Boomington 2nd. Then 2nd, beaten 4 1/4, in this condition on 9/25, running on from 8th.

Strengths: **No late fade**—she won and ran on in her last two. Mark Casse is 16% on turf and 17% in allowances; Casse and Javier Castellano are 4-for-10 together at Belmont.

Concerns: Off 51 days. At 2-1 (33.3% implied), –9.3%.

Trip Projection: Forward or just off the pace.

Cosmic Candy Girl (Post 2) — Model Win %: 19%

PTW Profile: Twirling Candy filly, 2-for-11. Won the **Suzi O'Cain**—a black-type stakes, not a graded stakes—on 7/23 wire-to-wire. Since then: 7th (OC 100k), 4th by 4 1/2 in this condition after leading, and 6th in the Sands Point (G3) after leading to the 3/16 pole.

Strengths: The most reliable speed in the field.

Concerns: Weakened late in each of her last three starts. James Ryerson is 1-for-26 at the meet (10% on turf). Dylan Davis replaces Chris Elliott. At 4-1 (20.0% implied), –1.0%.

Tier 2 — Secondary Contenders (★★★)

Grace and Grit (Post 6) — Model Win %: 14%

PTW Profile: 4-year-old Munnings filly, 4-for-21, but only 1-for-7 on turf. **Every start in the PPs is on dirt**—the report's "7/16 stakes and 6/12 allowance turf form" is not there. She is switching from dirt to turf.

Won an allowance at Saratoga on 7/4 and at the Big A on 5/8 (not Saratoga), but has finished 2nd, 5th and 6th since.

Strengths: Amelia Green is 14% switching from dirt to turf. At 8-1 (11.1% implied), +2.9%.

Concerns: Tired to 6th last out. Green is 9% on turf and 5-for-60 at the meet; Green and Sergio Marin are 1-for-12 together.

Hello Beauty (Post 5) — Model Win %: 5%

PTW Profile: 5-year-old Street Sense mare, 2-for-20, and **0-for-12 on turf**. Her maiden win came in an off-the-turf race and her allowance win on dirt. On 5/1 she led and weakened to 6th—she did not rally from mid-pack. Not a closer: she has led or pressed in four of her last six. Patrick Quick is 14% with route runners; Ray Bowen is 4%. At 20-1 (4.8% implied), +0.2%.

Tier 3 — Pace Factors / Longshots (★★)

Boomington (Post 7) — Model Win %: 7%

PTW Profile: Maxfield filly, 2-for-9 (not three straight wins). Won an N1X allowance here on 10/31 as the favorite, from 9th after stumbling. Her 9/3 race was a **2nd** to Charlottesuniverse, not a win. 9th in the Miss Grillo (G2) last year. George Weaver is 16% on turf and 15% with last-out winners; Weaver and Jose Lezcano are 2-for-4 at Belmont. At 5-1 (16.7% implied), –9.7%.

My First Dinah (Post 1) — Model Win %: 2%

PTW Profile: Name Changer filly making her **first turf start**. She is a **3-time winner** (including the Niagara Stakes at Finger Lakes on 9/21)—not "non-winning form." Led early and tired to 4th in a dirt route here on 10/25. Eduardo Jones is 0-for-17 on turf and 0-for-47 with route runners. At 15-1 (6.3% implied), –4.3%.

Report Section 4: MPH Analysis + Sustained Speed Ratings

PTW Proprietary Speed Rankings

Horse	Opening Speed	Sustained Speed	Deceleration Profile
All of It	STRONG	ELITE	Low — maintains velocity
Charlottesuniverse	ELITE	STRONG	Moderate — ran on last out
Cosmic Candy Girl	STRONG	STRONG	Moderate — weakened late lately
Grace and Grit	STRONG	VULNERABLE	High — collapse risk
Hello Beauty	STRONG	VULNERABLE	High — collapse risk
Boomington	STRONG	VULNERABLE	High — collapse risk
My First Dinah	STRONG	VULNERABLE	High — tired late last out

Critical MPH Insight

The model rates **All of It** the field's best sustained finisher (ELITE), which fits a HOT pace. Her opening speed is changed from ELITE to STRONG: she was 6th–8th early in her last two. **Charlottesuniverse** has the best early speed among the contenders.

Report Section 5: Improvement & Regression Candidates

Likely to Improve

All of It — Back to a mile after a rallying 3rd at 7 1/2 furlongs; Prat picks up the mount.

Charlottesuniverse — Back in this condition after a strong 2nd; Casse/Castellano are 40% together at Belmont.

Grace and Grit — Turf switch; her trainer is 14% with that move.

Bounce / Regression Risks

Boomington — Moves up off an allowance win and needs the pace to collapse again.

Cosmic Candy Girl — Weakened late in her last three.

My First Dinah — First turf start for a barn that is 0-for-17 on turf.

Report Section 6: Suggested Bets

WIN BET: ALL OF IT — Confidence 5/10 — Target odds: 5-2 or better

Model projects 29% win probability, the highest in the field. At 9-5 (35.7% implied), –6.7%. Fair price is about 5-2.

Value Assessment: **UNDERLAY** at 9-5 (not EXCEPTIONAL VALUE).

VALUE PLAY: GRACE AND GRIT — Confidence 4/10 — Target odds: 13-2 or better

Model projects 14% at 8-1 (11.1% implied): +2.9%, SLIGHT VALUE. Turf switch for a closer in a HOT pace.

LONGSHOT PLAY: HELLO BEAUTY — Confidence 2/10 — Target odds: 20-1 or better

Model projects 5% at 20-1 (4.8% implied): +0.2%, a minimal overlay; 0-for-12 on turf.

Multi-Race Sequences: Pick 3 / Pick 4 / Pick 5 / Pick 6 — Top 3

A: All of It — 29%
B: Charlottesuniverse — 24%
C: Cosmic Candy Girl — 19%

Combined Projected Probability: 72%

Report Section 7: Confidence Rating

★★★ (3 of 5 stars)

A **HOT** pace sets up for **All of It**, but as the 9-5 favorite she is an underlay, not the race's biggest overlay. **Charlottesuniverse** is in solid form, and **Grace and Grit** is the value on a turf switch. No favorite to fade: All of It is –6.7%.
