COMPREHENSIVE HANDICAPPING REPORT (CHR)

Belmont Park R8
Sunday, November 22, 2026 | 5 1/2 Furlongs Dirt | Fillies & Mares 3YO & Up, NY-breds | Maiden Claiming $50,000

Field note: The race is on Sunday (the report said Saturday) and on the **dirt** (the report's cover listed the surface as "X"). **Also-eligibles:** Ultimate Ride (13), Via Alta Mira (14), Lake Ariel (15) and Lady Vortex (16) run only if horses scratch from the main field of 12; they are left out of the bets and multi. **Miss Marenga** is a **first-time starter**. **Surface switch:** Dancing Miracle and Daylight Dreamer have never raced on a fast dirt track; Sassy Sats and Midnight Blue have one fast-dirt start each. **Blinkers on:** Daylight Dreamer and Battle Rifle. **Promise Me Amelody** and **Probable Choice** drop from maiden special weights into a maiden claimer for the first time. **Same-race form:** Sassy Sats (2nd), Dancing Miracle (3rd), Midnight Blue (4th), Raised (5th) and Daylight Dreamer (10th) all ran in the same $50,000 turf maiden claimer here on 10/9.

Report Section 1: Pace Analysis

True Front Runners

Dancing Miracle (Post 11) — Led early on 10/9 and 9/6 (she has not shipped in; all her races were in New York). **Raised** (Post 5) — Led early on 10/28 before fading. **Probable Choice** (Post 8) — Led early in her last four starts.

Stalkers / Pressers

Sassy Sats (Post 10) — Pressed early in four of her last five. **Promise Me Amelody** (Post 3) — 2nd to 5th early in her three starts.

Closers

Midnight Blue (Post 4) — 7th to 9th early in her last two. **Daylight Dreamer** (Post 12) — 5th to 11th early in her last three (she led in April); beaten 12 1/4 last out, not an elite closer. **Miss Marenga** (Post 9) is a first-time starter (no running style).

Pace Scenario Projection

MODEL PREDICTS: **HOT** early pace—projected :22 2/5 opening quarter, :45 1/5 half-mile. There are no pace bands for 5 1/2 furlongs, so the label is judged from the field: Dancing Miracle, Raised, Probable Choice and Sassy Sats all want to be near the lead (the report labeled it MODERATE).
