COMPREHENSIVE HANDICAPPING REPORT (CHR)

Churchill Downs R1
Wednesday, November 4, 2026 | 6f Dirt | 2YO Starter Allowance

Report Section 1: Pace Analysis

True Front Runners

Ez Pal led at the 2f and 4f calls and held sway to win at Keeneland on 10/7—elite early speed and tactical control. **Detention** has ELITE early speed and pressed inside before weakening on 10/8. **Ten Mile House** led and lasted to win at Indiana Grand on 8/31.

Stalkers / Pressers

Divine Truth was prompt two or three wide and drew clear at Keeneland on 10/8; he can rate or press. **Braums Run** sits 3-4 lengths off the pace before bidding; 2nd in the same 10/8 race.

Closers

Issachar chased three or four wide and flattened late at Churchill on 9/11. **No Autographs** has shown little late kick.

Pace Scenario Projection

MODEL PREDICTS: **HOT** early pace with Ez Pal and Detention battling for the lead. The report gives no fractional projection. Pace damage should favor Divine Truth's stalking trip.

Report Section 2: Win Probability Matrix

Post	Horse	ML Odds	Model Win %	Implied ML %	Edge
1	Detention	3-1	13%	25.0%	-12.0%
2	Ez Pal	9-2	18%	18.2%	-0.2%
3	Divine Truth	9-5	21%	35.7%	-14.7%
4	No Autographs	8-1	7%	11.1%	-4.1%
5	Braums Run	3-1	13%	25.0%	-12.0%
6	Ten Mile House	20-1	16%	4.8%	**+11.2%**
7	Issachar	12-1	12%	7.7%	**+4.3%**
	TOTAL		**100%**	**127.5%**	

Implied ML % is the raw morning-line conversion. The original table used takeout-adjusted figures (e.g., Divine Truth 28.0%, Ez Pal 14.3%), which understated the favorites' prices; on the raw basis Ez Pal is fairly priced (–0.2%), not a +3.7% overlay.

Report Section 3: Contender Analysis

Tier 1 — Primary Contenders (★★★★)

Divine Truth (Post 3) — Model Win %: 21%

PTW Profile: The model's top horse, 1-for-2. Debuted at Churchill on 9/16, then was prompt two or three wide and drew clear to win at Keeneland on 10/8, beating Braums Run and Detention. Trainer Moquett 13% in dirt sprints; Luis Saez rides. But as the 9-5 favorite (35.7% implied) he is the race's biggest underlay (–14.7%).

Strengths: ELITE in both speed categories; tactical; bullet 3f work.

Concerns: Only two starts; no value at the morning line.

Trip Projection: Stalks two or three wide behind Ez Pal and Detention, then takes over in the stretch.

Ez Pal (Post 2) — Model Win %: 18%

PTW Profile: 1-for-2; debuted on turf on 6/18, then won a maiden claimer at Keeneland on 10/7 on the lead. Bullet 5f work at Keeneland on 10/1. Fairly priced at 9-2 (18.2% implied, –0.2%).

Strengths: ELITE early speed; should control the pace from post 2.

Concerns: Faces pressure from Detention; STRONG, not ELITE, late speed; poor in his one turf start (6/18).

Trip Projection: Breaks sharply and leads through the half; vulnerable to Divine Truth late.

Ten Mile House (Post 6) — Model Win %: 16%

PTW Profile: Won a $50k maiden claimer at Indiana Grand on 8/31, leading and lasting. Trainer Watkins 20% in dirt sprints (1.43 ROI), 23% after a win. At 20-1 (4.8% implied), a +11.2% overlay—by far the best in the race.

Concerns: Two career starts; untested at 6f; UNRATED late speed (limited data); one prior Churchill start.

Trip Projection: Forward early from post 6; must hold off the stalkers.

Tier 2 — Secondary Contenders (★★★)

Braums Run (Post 5) — Model Win %: 13%

PTW Profile: Won a dirt sprint at Saratoga on 7/19; 2nd to Divine Truth at Keeneland on 10/8. Trainer Mark Casse 16% in sprints (1.39 ROI); Jose Ortiz rides. Overbet at 3-1 (25.0% implied, –12.0%).

Concerns: Tenth in a turf start on 8/29; already beaten by Divine Truth.

Trip Projection: Rates 3-4 lengths off the pace and bids in the final 1/16.

Detention (Post 1) — Model Win %: 13%

PTW Profile: Won a maiden race at Churchill on 9/16, then dueled inside and weakened behind Divine Truth on 10/8. Bullet 4f work on 10/26. Overbet at 3-1 (25.0% implied, –12.0%).

Concerns: VULNERABLE sustained speed—faded late in both starts; likely duel with Ez Pal.

Trip Projection: Battles inside for the lead through the half and fades.

Issachar (Post 7) — Model Win %: 12%

PTW Profile: 1-for-3; won a maiden claimer at Churchill on 5/17, then 10th in the Riverside Rush at Ellis Park on 8/1 and 4th, beaten 10 1/4 lengths, in an allowance at Churchill on 9/11. Trainer Vance 8% in dirt sprints. At 12-1 (7.7% implied), +4.3%.

Concerns: Weakens late in both recent races; the narrative doesn't support a 12% chance.

Tier 3 — Pace Factors / Longshots (★★)

No Autographs (Post 4, 7%): 5th in a route at Keeneland on 10/15 after being driven to 2nd and giving way. VULNERABLE late. Overbet at 8-1 (–4.1%).

Report Section 4: MPH Analysis + Sustained Speed Ratings

PTW Proprietary Speed Rankings

Horse	Opening Speed	Sustained Speed	Deceleration Profile
Divine Truth	ELITE	ELITE	Low — maintains velocity
Ez Pal	ELITE	STRONG	Moderate — competitive finisher
Braums Run	STRONG	STRONG	Moderate — tactical
Detention	ELITE	VULNERABLE	High — pace collapse risk
No Autographs	STRONG	VULNERABLE	High — fades late
Issachar	STRONG	VULNERABLE	High — weakens late
Ten Mile House	STRONG	UNRATED	Insufficient usable data

Critical MPH Insight

Divine Truth is the only horse ELITE in both categories, and he stalks rather than leads. **Ez Pal** has ELITE early speed but STRONG late speed. **Detention**'s ELITE early speed is offset by VULNERABLE late speed, and a duel with Ez Pal should expose it.

Report Section 5: Improvement & Regression Candidates

Likely to Improve

Divine Truth — Broke his maiden in his second start; lightly raced 2-year-old.

Braums Run — Casse 15% with 2-year-olds; sharp 4f work at Churchill on 10/24.

Ten Mile House — Watkins 23% after a win; steady works on 9/29 and 10/27.

Bounce / Regression Risks

Detention — Weakened after dueling on 10/8; VULNERABLE late.

Issachar — Two weak efforts since his maiden claiming win; weakens late.

No Autographs — Gave way in a route last time; returns to a sprint.

Report Section 6: Suggested Bets

WIN BET: DIVINE TRUTH — Confidence 9/10 — Target odds: 4-1 or better

Model projects 21% win probability, the highest in the field, but at 9-5 (35.7% implied) he is a –14.7% underlay. Fair price is about 15-4; he is a value bet only at 4-1 or better.

Value Assessment: **NO VALUE** at the morning line.

VALUE PLAY: EZ PAL — Confidence 7/10 — Target odds: 5-1 or better

Model projects 18% at 9-2 (18.2% implied): –0.2%, fairly priced. Fair price is about 9-2; play at 5-1 or better.

Value Assessment: **NO VALUE** at the morning line.

LONGSHOT PLAY: TEN MILE HOUSE — Confidence 5/10 — Target odds: 15-1 or better

Model projects 16% at 20-1 (4.8% implied): +11.2%, the race's only significant overlay. Limited data, so use sparingly. Fair price is about 5-1.

Value Assessment: **EXCEPTIONAL VALUE** (+11.2%).

Multi-Race Sequences: Pick 3 / Pick 4 / Pick 5 / Pick 6 — Top 3

A: Divine Truth — 21%
B: Ez Pal — 18%
C: Ten Mile House — 16%

Combined Projected Probability: 55%

Report Section 7: Confidence Rating

★★★★ (4 of 5 stars)

Divine Truth is the model's top horse, with ELITE late speed and a stalking trip behind an Ez Pal-Detention duel, but the public has him at 9-5 (35.7% implied vs. 21%). **Detention** and **Braums Run** are also overbet at 3-1 (–12.0% each). The value is **Ten Mile House** at 20-1 (+11.2%).
