COMPREHENSIVE HANDICAPPING REPORT (CHR)

Churchill Downs R3
Wednesday, November 4, 2026 | 8.5f Dirt | 3YO+ | Maiden Claiming $30,000

Report Section 1: Pace Analysis

True Front Runners

Mr. All In (Post 5): ELITE early speed; 3rd at the 2f call and 2nd at the wire at Keeneland on 10/11 (8.5f). Can press or rate. **Lifes Reward** (Post 3) breaks alertly and saves ground on the rail.

Stalkers / Pressers

Stakeholder (Post 4) tracks the pace and improved to 5th at Churchill on 9/17. **Page Two** (Post 9) moved from 6th to 3rd in the same 10/11 Keeneland race as Mr. All In. **Southern Whisper** (Post 1) has settled well back early in both starts. **Cantis** (Post 8) stalks and bids on the far turn.

Closers

Working for Glory (Post 2) trails early and passes tired horses (10th to 8th on 10/11).

Pace Scenario Projection

MODEL PREDICTS: **HOT** early pace—projected :22 opening quarter, :45 2/5 half-mile. Stalkers three or four paths off the rail are best placed; Mr. All In's ELITE late speed suits a contested pace.

Report Section 2: Win Probability Matrix

Post	Horse	ML Odds	Model Win %	Implied ML %	Edge
1	Southern Whisper	5-2	12%	28.6%	-16.6%
2	Working for Glory	20-1	4%	4.8%	-0.8%
3	Lifes Reward	6-1	10%	14.3%	-4.3%
4	Stakeholder	9-2	16%	18.2%	-2.2%
5	Mr. All In	8-1	20%	11.1%	**+8.9%**
6	Max Is Him	7-2	7%	22.2%	-15.2%
7	Federal Agent	15-1	3%	6.3%	-3.3%
8	Cantis	8-1	14%	11.1%	**+2.9%**
9	Page Two	10-1	14%	9.1%	**+4.9%**
	TOTAL		**100%**	**125.7%**	

Implied ML % is the raw morning-line conversion; the original table used takeout-adjusted figures (e.g., Southern Whisper 22.8%). The original text used different model figures from its table (Mr. All In 19%, Stakeholder 15%); the table figures are used throughout. On the raw basis

Stakeholder is an underlay (–2.2%), not +1.5%.

Report Section 3: Contender Analysis

Tier 1 — Primary Contenders (★★★★)

Mr. All In (Post 5) — Model Win %: 20%

PTW Profile: The model's top horse. Trainer Bret Calhoun 17% with maiden claimers; jockey Torres 23% in routes. 2nd at Keeneland on 10/11 (8.5f) after a 3rd at Ellis Park on 8/17. At 8-1 (11.1% implied), a +8.9% overlay—the best in the race.

Strengths: ELITE in both speed categories—the field's best sustained finisher; consistent close finishes; proven at 8.5f.

Concerns: Winless in seven starts; a bridesmaid pattern.

Trip Projection: Rates or presses two or three wide from post 5 and finishes over tiring speed.

Stakeholder (Post 4) — Model Win %: 16%

PTW Profile: Gelding for Jordan Blair; improved to 5th in a 6.5f maiden claimer at Churchill on 9/17 after five MSW starts. Slight underlay at 9-2 (18.2% implied, –2.2%).

Concerns: VULNERABLE late speed; no top-two finish yet; trainer 7% in routes.

Trip Projection: Tracks 3-4 lengths off the pace; mild rally.

Southern Whisper (Post 1) — Model Win %: 12%

PTW Profile: Gelding for Joe Sharp (18% in routes); Jose Ortiz rides. Two career starts: a maiden special at Churchill on 6/14 and 5th in a maiden claimer at Keeneland on 10/16, both at 6f. As the 5-2 favorite (28.6% implied) he is the race's biggest underlay (–16.6%).

Strengths: Sharp 3f work on 10/30; top connections.

Concerns: First try around two turns; STRONG, not ELITE, late speed; only 5th in his maiden claiming debut.

Trip Projection: Tracks two or three paths off the leaders and fades in the final furlong.

Tier 2 — Secondary Contenders (★★★)

Cantis (Post 8) — Model Win %: 14%

PTW Profile: Gelding for Eoin Harty (25% with maiden claimers); Irad Ortiz Jr. rides. 3rd at Indiana Grand on 10/8 after stalking and bidding. Mostly turf form; one dirt start (10th, 6/7). At 8-1 (11.1% implied), +2.9%.

Concerns: Turf-to-dirt switch; limited dirt route experience.

Trip Projection: Settles 4-5 lengths off the pace and bids on the far turn.

Page Two (Post 9) — Model Win %: 14%

PTW Profile: Gelding for Victoria Oliver; 3rd at Keeneland on 10/11 (8.5f), the same race in which Mr. All In was 2nd. Bullet 4f work at Keeneland on 10/10. At 10-1 (9.1% implied), +4.9%.

Concerns: VULNERABLE late speed; trainer 3% with maiden claimers; outside post.

Trip Projection: Settles 5-6 lengths back and makes a wide late run.

Lifes Reward (Post 3) — Model Win %: 10%

PTW Profile: Colt for Chris Hartman (13% with maiden claimers); 0-for-7, 6th at Keeneland on 10/16. Underlay at 6-1 (14.3% implied, –4.3%).

Concerns: VULNERABLE late; form declining.

Tier 3 — Pace Factors / Longshots (★★)

Max Is Him (Post 6, 7%): Dale Romans; 0-for-4 and stopped badly, beaten 66 lengths, at Churchill on 9/17. UNRATED. Big underlay at 7-2 (22.2% implied, –15.2%).

Working for Glory (Post 2, 4%): 0-for-8 closer; VULNERABLE in both categories. Fairly priced at 20-1 (–0.8%).

Federal Agent (Post 7, 3%): Trainer 0-for-8 with maiden claimers; VULNERABLE in both categories. –3.3%.

Report Section 4: MPH Analysis + Sustained Speed Ratings

PTW Proprietary Speed Rankings

Horse	Opening Speed	Sustained Speed	Deceleration Profile
Mr. All In	ELITE	ELITE	Low — maintains velocity
Southern Whisper	STRONG	STRONG	Moderate — consistent finish
Cantis	STRONG	STRONG	Moderate — competitive
Page Two	STRONG	VULNERABLE	High — stretch collapse risk
Stakeholder	STRONG	VULNERABLE	High — fades late
Lifes Reward	STRONG	VULNERABLE	High — speed vulnerability
Working for Glory	VULNERABLE	VULNERABLE	Very high — severe deceleration
Federal Agent	VULNERABLE	VULNERABLE	Very high — closing collapse
Max Is Him	UNRATED	UNRATED	Insufficient fractional data

Critical MPH Insight

Mr. All In is the only horse ELITE in sustained speed. **Southern Whisper** and **Cantis** are STRONG; everyone else rates VULNERABLE or UNRATED late. The HOT pace should hurt the horses that can't hold their speed.

Report Section 5: Improvement & Regression Candidates

Likely to Improve

Mr. All In — Two straight close finishes; Calhoun 17% with maiden claimers.

Cantis — Harty 25% with maiden claimers; 3rd last out.

Bounce / Regression Risks

Southern Whisper — 5th in his maiden claiming debut; 28.6% implied vs. 12% model.

Max Is Him — Beaten 66 lengths last out; 22.2% implied vs. 7% model.

Federal Agent and **Working for Glory** — VULNERABLE in both categories.

Report Section 6: Suggested Bets

WIN BET: MR. ALL IN — Confidence 7/10 — Target odds: 7-1 or better

Model projects 20% win probability, the highest in the field, at 8-1 (11.1% implied): +8.9%. ELITE late speed into a HOT pace and two straight close finishes. Fair price is 4-1.

Value Assessment: **STRONG VALUE** (+8.9%).

VALUE PLAY: PAGE TWO — Confidence 5/10 — Target odds: 10-1 or better

Model projects 14% at 10-1 (9.1% implied): +4.9%. 3rd in the same Keeneland route as Mr. All In; bullet work. Fair price is about 6-1.

Value Assessment: **STRONG VALUE** (+4.9%).

THIRD PLAY: CANTIS — Confidence 4/10 — Target odds: 8-1 or better

Model projects 14% at 8-1 (11.1% implied): +2.9%. Harty's 25% maiden claiming record; turf-to-dirt question. Fair price is about 6-1.

Value Assessment: **SLIGHT VALUE** (+2.9%).

Multi-Race Sequences: Pick 3 / Pick 4 / Pick 5 / Pick 6 — Top 3

A: Mr. All In — 20%
B: Stakeholder — 16%
C: Page Two — 14% (tied with Cantis)

Combined Projected Probability: 50%

Report Section 7: Confidence Rating

★★★★ (4 of 5 stars)

Mr. All In is the model's top horse and the race's best overlay at 8-1 (+8.9%). The public's mistakes are the top two on the morning line: **Southern Whisper** at 5-2 (28.6% implied vs. 12%) and **Max Is Him** at 7-2 (22.2% vs. 7%).

Report Generated by PTW-CHR Model 1

Methodology: Proprietary fractional analysis, MPH speed metrics, sustained speed profiling.

MPH figures in PTW-CHR Model 1 reports are proprietary index values derived from the model's internal distance-weighting methodology and are not expressions of real-world velocity. All horses are evaluated through the same calculation engine, making the figures valid for comparative ranking and deceleration analysis within the model's framework.

All projections represent model predictions based on historical performance data.

Methodology is proprietary and confidential. Reproduction of this analysis without authorization is prohibited.

Gambling is a significant risk investment. Only gamble with recreational money and money you can afford to risk and potentially lose. If you possibly have a gambling problem, you should always seek professional help.
