COMPREHENSIVE HANDICAPPING REPORT (CHR)

Churchill Downs R4
Thursday, November 5, 2026 | 5.5f Turf | 3-Year-Old Allowance

Report Section 1: Pace Analysis

True Front Runners

Throckmorton (Post 7) — Sharp early speed; 2nd in four of his six 2026 starts, most recently at Keeneland on 10/8.

Outfielder (Post 3) — Won from the front at Churchill on 5/9 and kept his speed while pressed in the Keeneland allowance on 10/8.

Fourth and Central (Post 4) — The field's quickest early speed; won three straight sprints on the lead between July and September.

Stalkers / Pressers

Trouble Calling (Post 1) — Tactical stalker; won at 5.5f on turf at Ellis Park on 8/1 from a stalking position.

Schwarzenegger (Post 6) — Runs best tracking in 2nd or 3rd.

Closers

Beach Heist (Post 5) — Won at Churchill on 9/27 rallying from 4th; finishes strongly.

Street Beast (Post 8) — Has shown late kick in route races; cuts back sharply to 5.5f.

Pace Scenario Projection

MODEL PREDICTS: **HONEST** early pace—projected :22 1/5 opening quarter. Throckmorton and Outfielder battle for early control, with Fourth and Central close by; stalkers and late movers who time their runs benefit.

Report Section 2: Win Probability Matrix

Post	Horse	ML Odds	Model Win %	Implied ML %	Edge
1	Trouble Calling	5-1	14%	16.7%	-2.7%
2	Diciassette	15-1	5%	6.3%	-1.3%
3	Outfielder	8-5	22%	38.5%	-16.5%
4	Fourth and Central	10-1	11%	9.1%	**+1.9%**
5	Beach Heist	12-1	13%	7.7%	**+5.3%**
6	Schwarzenegger	8-1	8%	11.1%	-3.1%

Post	Horse	ML Odds	Model Win %	Implied ML %	Edge
7	Throckmorton	3-1	20%	25.0%	-5.0%
8	Street Beast	8-1	6%	11.1%	-5.1%
9	Bobrovsky	30-1	1%	3.2%	-2.2%
	TOTAL		**100%**	**128.7%**	

Implied ML % is the raw morning-line conversion. The original table used adjusted figures and showed 8-5 Outfielder at 15.6% (+6.4%); at raw odds he is 38.5% implied and –16.5%. Outfielder, not Throckmorton, is the morning-line favorite.

Report Section 3: Contender Analysis

Tier 1 — Primary Contenders (★★★★)

Outfielder (Post 3) — Model Win %: 22%

PTW Profile: The model's top horse and the 8-5 morning-line favorite. 3-for-4 in turf sprints, most recently an allowance win at Keeneland on 10/8. At 8-5 (38.5% implied), –16.5%—the race's biggest underlay.

Strengths: ELITE early and late speed; can rate or press. Wesley Ward 25% in allowance races (1.87 ROI); sharp turf works at Keeneland.

Concerns: 4th, beaten 2 lengths, in a stakes at Saratoga on 8/16; Tyler Gaffalione 7.69% at the Churchill meet; far too short at 8-5.

Trip Projection: Sits 2nd or 3rd, pressing Throckmorton or Fourth and Central, and should clear in the final furlong.

Throckmorton (Post 7) — Model Win %: 20%

PTW Profile: The model's second choice. 2-for-10 (wins in a Gulfstream maiden race on 9/14/25 and the Awad Stakes at Aqueduct on 11/9/25); 0-for-6 in 2026 with four 2nds, including two black-type stakes and the Gr. 3 Quick Call at Saratoga on 7/19. 8th in the Gr. 2 Franklin-Simpson at Kentucky Downs on 9/7, then 2nd at Keeneland on 10/8. Trainer Chad Summers 14%. At 3-1 (25.0% implied), –5.0%.

Strengths: ELITE early speed; consistent against stakes company; sharp recent work.

Concerns: VULNERABLE sustained speed; hasn't won since November 2025 despite four 2nds; overbet.

Trip Projection: Leads or presses into the stretch; fade risk if Outfielder or Beach Heist time their runs.

Beach Heist (Post 5) — Model Win %: 13%

PTW Profile: Four career starts, 1-for-2 at Churchill; won there on 9/27 and was 2nd on 7/5. Trainer William Walden 26% in turf sprints (2.18 ROI). At 12-1 (7.7% implied), +5.3%—the best overlay in the race.

Strengths: ELITE sustained speed; strong closer; the HONEST pace suits him.

Concerns: Limited experience against top sprint fields; can get trapped behind horses on turf.

Trip Projection: Settles 4th or 5th early and rallies into the final sixteenth.

Tier 2 — Secondary Contenders (★★★)

Fourth and Central (Post 4) — Model Win %: 11%

PTW Profile: Won three straight on the lead from 7/25 to 9/20, including a 5.5f turf win at Gulfstream on 7/25. Trainer Michael Yates 13% in turf sprints (3.25 ROI). At 10-1 (9.1% implied), +1.9%.

Strengths: Sharpest early speed in the field; ELITE opening, STRONG sustained.

Concerns: Will be pressed by Throckmorton and Outfielder.

Trip Projection: 1st or 2nd early with Throckmorton; the question is whether he holds under pressure.

Trouble Calling (Post 1) — Model Win %: 14%

PTW Profile: Stalker who won at 5.5f on turf at Ellis Park on 8/1. Luis Saez rides (16.67% at the meet). At 5-1 (16.7% implied), –2.7%.

Strengths: Proven at the distance; tactical; fits the HONEST pace.

Concerns: One win from four turf starts in 2026; may lack the late kick of Beach Heist.

Trip Projection: Rates 3rd or 4th and moves into the stretch; competitive but may come up short.

Tier 3 — Pace Factors / Longshots (★★)

Schwarzenegger (Post 6, 8%): Won at 5.5f at Churchill on 5/17 for Wesley Ward (20% on turf), but finished 4th, 6th and 7th in his last three turf starts, weakening badly at Keeneland on 10/8. Underlay at 8-1 (–3.1%).

Street Beast (Post 8, 6%): Mostly a turf router who fades; won a dirt sprint on 10/17. Trainer Ben Colebrook 5% on turf (0.35 ROI). Underlay at 8-1 (–5.1%).

Diciassette (Post 2, 5%): Turf debut; erratic form so far, but trainer Biancone is 30% first time on turf. –1.3%.

Bobrovsky (Post 9, 1%): Badly beaten in his last two turf starts. –2.2%.

Report Section 4: MPH Analysis + Sustained Speed Ratings

PTW Proprietary Speed Rankings

Horse	Opening Speed	Sustained Speed	Deceleration Profile
Outfielder	ELITE	ELITE	Low — maintains velocity
Beach Heist	STRONG	ELITE	Low — strong finisher
Fourth and Central	ELITE	STRONG	Moderate — versatile
Throckmorton	ELITE	VULNERABLE	High — pace collapse risk

Horse	Opening Speed	Sustained Speed	Deceleration Profile
Trouble Calling	STRONG	STRONG	Moderate — rate control
Schwarzenegger	STRONG	VULNERABLE	High — finishes weak
Street Beast	STRONG	VULNERABLE	High — fades badly
Diciassette	UNRATED	UNRATED	Insufficient data
Bobrovsky	UNRATED	VULNERABLE	High deceleration pattern

Critical MPH Insight

Outfielder is the only horse ELITE in both opening and sustained speed. **Throckmorton** has ELITE early speed but VULNERABLE late, which is a problem in an HONEST pace. **Beach Heist** is the other ELITE late runner and benefits if the speed collapses.

Report Section 5: Improvement & Regression Candidates

Likely to Improve

Beach Heist — Won last out (9/27) after a 2nd on 7/5; the pace setup is ideal for his closing style.

Fourth and Central — Trainer Yates 17% in the 31-60 day pattern (2.67 ROI); the 7/25 turf win was sharp.

Diciassette — Turf debut for Biancone, who is 30% first time on turf.

Bounce / Regression Risks

Throckmorton — Near career-best 2nd last out at Keeneland on 10/8, and winless in six 2026 starts; now faces several ELITE early-speed rivals.

Outfielder — Not a bounce candidate, but his form isn't rising and his stakes try on 8/16 (4th, beaten 2 lengths) fell short; 8-5 overstates his chance.

Street Beast — Dirt sprint win, then a switch to a turf sprint, far from his route profile.

Report Section 6: Suggested Bets

WIN BET: OUTFIELDER — Confidence 8/10 — Target odds: 4-1 or better

Model projects 22% win probability, the highest in the field, with ELITE early and late speed. But at his 8-5 morning line (38.5% implied) he is –16.5%. Fair price is about 7-2; bet only if he drifts to 4-1 or better.

Value Assessment: **UNDERLAY at the morning line** (–16.5%).

VALUE PLAY: BEACH HEIST — Confidence 8/10 — Target odds: 9-1 or better

Model projects 13% at 12-1 (7.7% implied): +5.3%, the race's best overlay. ELITE closer in an HONEST pace; won at Churchill on 9/27; Walden 26% in turf sprints. Fair price is about 13-2.

Value Assessment: **STRONG VALUE** (+5.3%).

LONGSHOT PLAY: FOURTH AND CENTRAL — Target odds: 9-1 or better

Model projects 11% at 10-1 (9.1% implied): +1.9%. Sharpest early speed in the field; won three straight July–September; Yates 3.25 ROI on turf. Fair price is about 8-1.

Value Assessment: **SLIGHT VALUE** (+1.9%).

Multi-Race Sequences: Pick 3 / Pick 4 / Pick 5 / Pick 6 — Top 3

A: Outfielder — 22%
B: Throckmorton — 20%
C: Trouble Calling — 14%

Combined Projected Probability: 56%

The original listed Beach Heist and Fourth and Central as B and C (46%); the model's top three by win % are used here.

Report Section 7: Confidence Rating

★★★★ (4 of 5 stars)

Outfielder is the model's top horse with the most complete speed profile, but the field is competitive and an HONEST pace opens the door for late runners. At 8-5 (38.5% implied vs. 22%) he is the race's biggest underlay. The best value is **Beach Heist** at 12-1 (+5.3%). **Throckmorton** (3-1) is also overbet given his VULNERABLE sustained speed.
