COMPREHENSIVE HANDICAPPING REPORT (CHR)

Churchill Downs R3
Sunday, November 15, 2026 | 6f Dirt | F&M 3YO+ | Claiming $50,000

Report Section 1: Pace Analysis

True Front Runners

Carol's Melody (Post 2) — Won wire-to-wire at Ellis on 8/21 and was 3rd early in her last two. **Tetiaroa** (Post 1) — Won wire-to-wire at Indiana on 8/25. **Good Call** (Post 5) — Prompted in 2nd early on 9/23. **Just Do Believe** (Post 7) — Contested the pace and won her two Charles Town allowances.

Stalkers / Pressers

Tempting Eve (Post 4) — 5th early in her last two dirt sprints.

Closers

Huck's Agenda (Post 6) — A deep closer: 7th early before rallying to 2nd at Saratoga on 8/19. **Mom's Cheesecake** (Post 3) — Comes from the back.

Pace Scenario Projection

MODEL PREDICTS: **MODERATE** early pace—projected :22 4/5 opening quarter, :45 2/5 half-mile. Four horses with speed (Carol's Melody, Tetiaroa, Good Call, Just Do Believe) give Huck's Agenda something to run at.

Report Section 2: Win Probability Matrix

Post	Horse	ML Odds	Model Win %	Implied ML %	Edge
1	Tetiaroa	4-1	16%	20.0%	-4.0%
2	Carol's Melody	5-2	20%	28.6%	-8.6%
3	Mom's Cheesecake	15-1	5%	6.3%	-1.3%
4	Tempting Eve	12-1	8%	7.7%	**+0.3%**
5	Good Call	8-1	10%	11.1%	-1.1%
6	Huck's Agenda	7-5	25%	41.7%	-16.7%
7	Just Do Believe	8-1	16%	11.1%	**+4.9%**
	TOTAL		**100%**	**126.5%**	

Implied ML % is the raw morning-line conversion (the report's column was scaled; it also called 7-5 "17.5%"). **Huck's Agenda is the 7-5 favorite** at 41.7% implied, so her edge is –**16.7%**—the favorite to fade, even though she is the model's top horse. Overlays: Just Do Believe +4.9% and Tempting Eve +0.3%. Tetiaroa is –4.0% (not +0.2%); Good Call –1.1% (not +1.2%).

Report Section 3: Contender Analysis

Tier 1 — Primary Contenders (★★★★)

Huck's Agenda (Post 6) — Model Win %: 25%

PTW Profile: The model's top horse and **the 7-5 favorite**. Known Agenda filly, 2 wins in 7 (a $50,000 maiden optional claimer and an off-the-turf optional claimer, both at Fair Grounds). She did **not** win at Saratoga on 8/19—she rallied from 7th to finish 2nd, beaten 4 1/4. Her mile races came **before** that, not after. She has not been claimed, so there is no "second start off the claim."

Strengths: Closing style with speed in front of her. Ken McPeek is 18% with claimers and 14% off 61–180 days. First start in a claimer.

Concerns: Off 88 days. Edgar Esquivel is 7% at the meet. At 7-5 (41.7% implied), –**16.7%**.

Trip Projection: Drops back early and rallies wide.

Carol's Melody (Post 2) — Model Win %: 20%

PTW Profile: Shancelot filly, 4 wins in 12. Won $20,000 (6/3, here) and $30,000 (8/21, Ellis) claimers, then 2nd in an N1X allowance on 9/18. Her 10/18 race was a 4th in a $62,500 claimer after chasing 5 wide—**not** a career-best. The report's "30% claiming price drop" does not exist.

Strengths: Eddie Kenneally is 3-for-9 at the meet and 22% with claimers. Apprentice Y. Ortiz Jr. (11-for-38, 29%) takes 7 pounds.

Concerns: Faded in her last start. At 5-2 (28.6% implied), –8.6%.

Just Do Believe (Post 7) — Model Win %: 16%

PTW Profile: Dialed In filly, 3 wins in 5, all in sprints—a Laurel maiden race and two Charles Town allowances. No graded, route or turf starts. **Not her first claimer**: she was 6th in a $50,000 claimer here on 9/23, when Anthony Quartarolo claimed her.

Strengths: First off the claim (Quartarolo 1-for-4). Tyler Gaffalione (14%) rides. At 8-1 (11.1% implied), **+4.9%**.

Concerns: Quartarolo is 0-for-6 in 2026 and 0-for-19 with claimers. Post 7 is the outside post, not inside.

Tier 2 — Secondary Contenders (★★★)

Tetiaroa (Post 1) — Model Win %: 16%

PTW Profile: Vekoma filly, 2 wins in 11. Won an N2L allowance at Indiana on 8/25 wire-to-wire, then 5th as the 6-5 favorite in this $50,000 level on 9/23—her **only** claiming start, and she was not claimed. Ran in the Raven Run (G2) last fall. Philip Bauer is 21% off 31–60 days. At 4-1 (20.0% implied), –4.0%.

Good Call (Post 5) — Model Win %: 10%

PTW Profile: Maximum Security filly, 2 wins in **14** (not 11). 2nd, beaten 5 1/2, at this level on 9/23 after prompting the pace. Aaron Shorter is 3% with claimers. At 8-1 (11.1% implied), –1.1%.

Tier 3 — Pace Factors / Longshots (★★)

Tempting Eve (Post 4) — Model Win %: 8%

PTW Profile: Alternation filly, 2 wins in 17 (12 on turf). 3rd at this level on 9/23 and 4th on 6/24. She has **no blinker change**. Chris Hartman is 18% off 31–60 days but 0-for-16 at the meet. At 12-1 (7.7% implied), +0.3%.

Mom's Cheesecake (Post 3) — Model Win %: 5%

PTW Profile: Gormley filly, 2 wins in 24; 0-for-8 in 2026. Claimed for $30,000 on 10/22; first start for J.K. Sweezey (12% first off the claim). Steps up to $50,000. E. Morales is 1-for-47 at the meet. At 15-1 (6.3% implied), –1.3%.

Report Section 4: MPH Analysis + Sustained Speed Ratings

PTW Proprietary Speed Rankings

Horse	Opening Speed	Sustained Speed	Deceleration Profile
Huck's Agenda	STRONG	ELITE	Low — maintains velocity
Just Do Believe	STRONG	ELITE	Low — sustained profile
Tempting Eve	STRONG	STRONG	Moderate — competitive
Carol's Melody	ELITE	STRONG	Moderate — pace-affected
Tetiaroa	ELITE	STRONG	Moderate — fades late
Good Call	STRONG	VULNERABLE	High — pace collapse risk
Mom's Cheesecake	STRONG	VULNERABLE	High — deceleration

Critical MPH Insight

The model rates **Huck's Agenda** and **Just Do Believe** ELITE late. Huck's Agenda's opening speed is changed from ELITE to STRONG: she drops far back early. Just Do Believe's sprint wins (not a "route MSW") back up her rating.

Report Section 5: Improvement & Regression Candidates

Likely to Improve

Just Do Believe — First off the claim; better than her dull 9/23 race.

Huck's Agenda — Drops into a claimer for the first time.

Tetiaroa — Bauer is 21% off 31–60 days.

Bounce / Regression Risks

Carol's Melody — Faltered last out after two sharp efforts.

Mom's Cheesecake — Up in class for a 1-for-47 rider.

Report Section 6: Suggested Bets

WIN BET: HUCK'S AGENDA — Confidence 4/10 — Target odds: 3-1 or better

Model projects 25% win probability, the highest in the field. At 7-5 (41.7% implied), –**16.7%**—a big underlay (the report called 7-5 "EXCEPTIONAL VALUE"). **She is also the favorite to fade**: bet her only at 3-1 or better.

VALUE PLAY: JUST DO BELIEVE — Confidence 5/10 — Target odds: 11-2 or better

Model projects 16% at 8-1 (11.1% implied): **+4.9%**, the race's best overlay.

LONGSHOT PLAY: TEMPTING EVE — Confidence 2/10 — Target odds: 12-1 or better

Model projects 8% at 12-1 (7.7% implied): +0.3%, a minimal overlay.

Multi-Race Sequences: Pick 3 / Pick 4 / Pick 5 / Pick 6 — Top 3

A: Huck's Agenda — 25%
B: Carol's Melody — 20%
C: Just Do Believe — 16%

Ordered by model %. Just Do Believe takes C over Tetiaroa (also 16%) as the overlay. Huck's Agenda stays at A as the top model horse despite being the fade.

Combined Projected Probability: 61%

Report Section 7: Confidence Rating

★★ (2 of 5 stars)

Huck's Agenda tops the model at 25% but is badly overbet at 7-5—she is both the Win Bet and the favorite to fade. **Just Do Believe** is the value. Plenty of early speed for the closers.
