Report Section 1: Pace Analysis

True Front Runners

Tennesseehoneybee (Post 1) — A front-runner, **not** a rallier: led early in six of her last seven, including her wire-to-wire win at Indiana on 6/17. **Sassy Princess** (Post 4) — Vied or pressed early in her last two wins. **Dozen Diamonds** (Post 5) — Dueled and drew off on 9/25. **Run Camila Run** (Post 8) — Set the pace on 9/19.

Stalkers / Pressers

Creative Quality (Post 7) — 2nd–3rd early in her 9/13 win. **Spring Spinning** (Post 3) — Has won on the lead at Belterra lately.

Closers

Tiffany Twist (Post 6) — Rallies from far back; won that way on 11/4. **Liuzza** (Post 2) — Comes from mid-pack.

Pace Scenario Projection

MODEL PREDICTS: **MODERATE** early pace—projected :22 4/5 opening quarter, :45 2/5 half-mile—but with four or five horses who want to be forward, including the rail horse.

Report Section 3: Contender Analysis

Tier 1 — Primary Contenders (★★★★)

Tennesseehoneybee (Post 1) — Model Win %: 20%

PTW Profile: The model's top horse. 5-year-old mare, 5 wins in 19. Won an optional claimer at Indiana on 6/17 wire-to-wire by 4 1/2, then 2nd at Delaware and 3rd in a $12,500 claimer here on 9/13, where Cipriano Contreras claimed her. This is a **class rise** from $12,500, not a drop from allowance company.

Strengths: Speed from the rail. Contreras is 21% first off the claim and 29% off 61–180 days (she is off 63 days, not 19). At 8-1 (11.1% implied), **+8.9%**.

Concerns: Contreras and Edgar Esquivel are 0-for-12 at Churchill. Faces several other speed horses.

Trip Projection: Goes for the lead from the rail.

Dozen Diamonds (Post 5) — Model Win %: 17%

PTW Profile: 5-year-old mare, 4 wins in 20. Won a $25,000 claimer here at 7f on 9/25 after dueling, where Fausto Gutierrez claimed her; 5th in an off-the-turf N2X allowance on 10/15. She does **not** have "four wins in six $25,000 starts."

Strengths: Gutierrez is 23% off 31–60 days and 15% with claimers. Jose Torres (22%) rides.

Concerns: At 7-2 (22.2% implied), –5.2%.

Tiffany Twist (Post 6) — Model Win %: 13%

PTW Profile: 8-year-old mare, 8 wins in 49. She is **not** on a 12-race losing streak: she **won** a $20,000 claimer here on 11/4, rallying, and Steve Asmussen claimed her. First start for Asmussen (12% first off the claim), back in 11 days.

Strengths: Closer with a lot of speed in front. Kevin Asmussen rides.

Concerns: Moves up from $20,000. At 4-1 (20.0% implied), –7.0%.

Tier 2 — Secondary Contenders (★★★)

Sassy Princess (Post 4) — Model Win %: 14%

PTW Profile: **The 5-2 favorite.** 5-year-old mare, 8 wins in 28. Won a Keeneland starter allowance on 10/23; her last start was a **3rd** in a starter allowance at Penn National on 11/6—not "two straight wins." She has run in starter allowances, not stakes, this fall. 11 starts in 2026.

Strengths: David Jacobson and Tyler Gaffalione are 28% together at Churchill.

Concerns: Back in 9 days off a 3rd. At 5-2 (28.6% implied), –**14.6%**—the favorite to fade.

Creative Quality (Post 7) — Model Win %: 11%

PTW Profile: 5-year-old mare, 4 wins in 18. Won a **$12,500** claimer here on 9/13 (not 11/1), beating Tennesseehoneybee; 4th in a Keeneland starter allowance on 10/16. Denis Roberson is 4% with claimers. At 5-1 (16.7% implied), –5.7%.

Liuzza (Post 2) — Model Win %: 11%

PTW Profile: 5-year-old mare, 5 wins in 21. She is **not** winless since January 2025: she won a $40,000 claimer here in September 2025 and an Oaklawn allowance in December 2025. Off 121 days since being claimed by Mary Howard (0-for-5 first off the claim). At 15-1 (6.3% implied), +4.7%.

Tier 3 — Pace Factors / Longshots (★★)

Run Camila Run (Post 8) — Model Win %: 9%

PTW Profile: Filly, 4 wins in 23. Won a Belterra turf allowance on 7/7; 3rd at Kentucky Downs and 5th and 6th in turf optional claimers since. Drops into a claimer. Anna Decker is 23% on dirt. C. Jimenez is 0-for-3. At 4-1 (20.0% implied), –**11.0%**.
